**PLEASE DO US THE COURTESY OF LETTING US KNOW SO WE CAN REMOVE IT FROM OUR WEBSITE.**

All people calling about pets on the website are referred to the current pet owner for final approval and placement. The pet owner and new owner make all arrangements on transferring pets, etc. All inquiries will be referred to you; the Mobile SPCA does not screen or require an application for "courtesy listing" animals. It is the responsibility of the owner to determine the best home for their pet.
