As a foster parent you will be required to keep your foster dog(s) on a leash or enclosed (within a fence adequate for the animal or in a home) at all times. Foster cats must be kept indoors at all times. By initialing below, you acknowledge that you will abide by these provisions.

Initial: \_\_\_\_\_

As a foster parent, you may have an animal in your care for a short period of time (1 week) or an extended period of time. This will frequently be determined when you receive an animal to be fostered. However, this amount of time is subject to change depending on circumstances at the Mobile SPCA. If you know that you will be on vacation during the period of time you are being asked to foster, you are obliged to inform the Mobile SPCA as such. This will allow us time to find the most suitable temporary accommodations for your animal.

Additionally, while you are caring for foster animals, we may call you from time to time to check on the animals' progress and address any concerns you may have.

As a foster parent, we want you to know that it is occasionally necessary to euthanize animals that have been in foster care. Although this is an option of last resort, it does occur for numerous reasons.

By signing this form, you agree to the above statements and certify that the answers given above are true:
