

Did you know . . . the Mobile Society for the Prevention of Cruelty to Animals receives no funding from federal, state or county governments? Or from the United Way? Or from the ASPCA, HSUS, AHA or any other national animal welfare organization?

The Mobile SPCA is a private, non-profit 501(c)(3) organization. We rely on funding from individuals, corporations and foundations to provide the continuing care of the pets and homeless animals in our area.

### What does that mean to you?

In order to provide the many essential programs and services to our community, your gift is vital and hardworking. Your donation stays here in Mobile. Please consider helping the Mobile SPCA on a monthly basis by becoming a Mobile SPCA Guardian Angel.

### Who are the Mobile SPCA Guardian Angels?

The Mobile SPCA Guardian Angels are a very special group of supporters, committed to stopping the suffering of all animals through a consistent financial contribution. Mobile's pets and homeless animals need you to be a part of this very important giving program.

The ongoing cost of feeding, sheltering and medical expenses of our adoptable animals, emergency medical aid, funding our spay/ neuter assistance program and other life-saving services are ever increasing. Our Guardian Angels support the Mobile

SPCA by making regular, monthly contributions that help us cover the costs of these necessary programs.

Monthly gifts are a simple, convenient and cost-effective way to support the animals 24 hours a day, 365 days a year. Our Guardian Angel program provides an ongoing source of income that we can depend on to fulfill our ever-growing list of obligations. With a minimum gift of \$15 per month, you will be making a difference. You can have your monthly pledge automatically charged to a credit card or you can mail in a check in our return envelopes.

*"If I could, I would adopt all of them myself; through this program, I know that my monthly contribution helps to care for the animals in my community."*

— Fontaine Ward

### How can I become a Guardian Angel?

The Mobile SPCA wants to make it simple for you to donate monthly. You can choose between the following giving options:

1. Have the donation charged to a credit or debit card each month.
2. Mobile SPCA will send the donor a year's supply of Guardian Angel payment envelopes.

### What if monthly giving is not an option?

If monthly giving is not an option, individual gifts are a great way to provide for the animals and lend your support.
